Name: [Laura Hukin](#)

Nickname: lau or Laura

Professions: within the legal sector as litigation executive, secretary p.a. to MD and more recently left law to become a customer services representative

CRR Role: Run Leader / social Secretary

Started running: 2014

First Running Event: chester half marathon

Favourite Event and why: i have many but I have narrowed it down to 2...the Tour of Merseyside where you complete 6 races in 7 days to complete 52 miles and also Chester metric Marathon. I never thought i would ever run that far well, afterall it is only a park run on top of a half marathon.

You also can't beat home races for the support, club corner and team spirit. Coach trips are increasing and always good fun too!

Favourite running moment: Seeing members complete their first race. The start line selfie and lastly the finish line

Favourite CRR moment: again i have a number of memorable CRR moments but recently I'll go with the theme of Majorca in October last year. I haven't laughed so much in ages.

Why do you run?: i just LOVE the team spirit and have met so lovely people and made some good friends on my running journey who support and help each other and enjoy helping others achieve their goals.

2018 Goals: Continue to improve, get pbs in 5k, 10k and half marathons and remain injury free

Favourite Food: Indian curry

Favourite Place: sunset strip Ibiza followed closing by NYC

First thing you would buy with Lottery winnings: pay the families mortgages off
