

## Run Leader Profile

Name: Victoria Taylor

Nickname: Vic

Hometown: Warrington

Profession: Call Centre Manager

CRR: Run Leader Group 5

Joined CRR: July 17

Started Running: July 17 post not running for four years

First Running Event: Chester Park Run post joining CRR

Favourite Event and why: The Thunder Run which is a 24 hour relay race through a forest. One of my 10k runs was with a headtorch at 3am in the night which was exciting so the adrenaline keeps you moving.

Favourite CRR Moment: Dancing the night away at the CRR Christmas Party as I know I am bias but CRR's members are wonderful people and I am lucky that I can now call these people my friends

Why do you run? It is a good stress release, a way to meet new people and I want to be a better version of me

2018 goals: To complete the Conway Half Marathon in November for my lovely friends Lindsey's special birthday along with Soozie and many other CRR members

Favourite food: Fish and chocolate (not together)

Favourite place: Home

First thing you would buy with lottery winnings: Treat everyone I love to a nice holiday whilst I decide how to spend the rest of the money

Three interesting facts:

1. I raised money and then went out to build homes in Cambodia
2. I once cheated on a 10k and went the wrong way as instructed by a nice Policeman – soon realised as I kept getting over taken lol!
3. I love a bit of fancy dress for races and have sourced/created a number of outfits for my poor friend and husband to wear to complete the Park Run... next I will be lady bird for the Conway Half! My favourite to be fair has to be when we went as Minions ...BANANA BANANA!
