

## Run Leader Profile

Name: Andrew Devine

Nicknames: Andy, Vinny plus a few others that I won't share 😂

Hometown: Chester

Profession: Project Management

CRR Role: Group 5 / C25k leader

Started running: January 2018 in CRR C25k

Date joined CRR: January 2018

First Event: 2018 Delemere Forest 5k Trail run - March 2018.

Favourite Event and why: Graduation run without a doubt so far. Lots of support from the rest of CRR and beer at the end! Also the massive sense of accomplishment at the end.... What's not to like? 😊

Favourite running moment: completing my first ever "long" run, 9.5 miles on a Sunday organised by Tony Hill, a few of us newbies were nervous before we started but soon realised it was doable and finished without too much of a problem.

Favourite CRR Moment: I have not entered any big races this year so can't really comment on crossing many finish lines yet.... I love the club nights on Wednesday's!

Why do you run?:

1. Stress relief.
2. Medals.
3. I actually enjoy running in a group. 🏃🏃

2018 goals: to keep improving and to help the next group of C25k people into running. 2019 has the Chester 10k, Chester 1/2 marathon, metric marathon amongst others to look forward to 😊😊

Favourite Food: Pretty much anything that can be BBQ'd washed down with a cold beer.

Favourite Place: Goa, India.

First thing you would buy with Lottery winnings: a classic BMW to restore.

Three interesting facts:

1. I got knocked off my bike when I was 12 outside a house in Broughton where a girl lived. Fast forward 23 years, I married her! Way to get noticed! 😂
2. I flew on the very first A380 passenger trial flight from Toulouse. Still got the goody bag!
3. I love DIY and have completely gutted our house and refurbished every room, I even completed an extension to our house a few years ago.
